

SIMPLE. FLEXIBLE. SCALABLE.

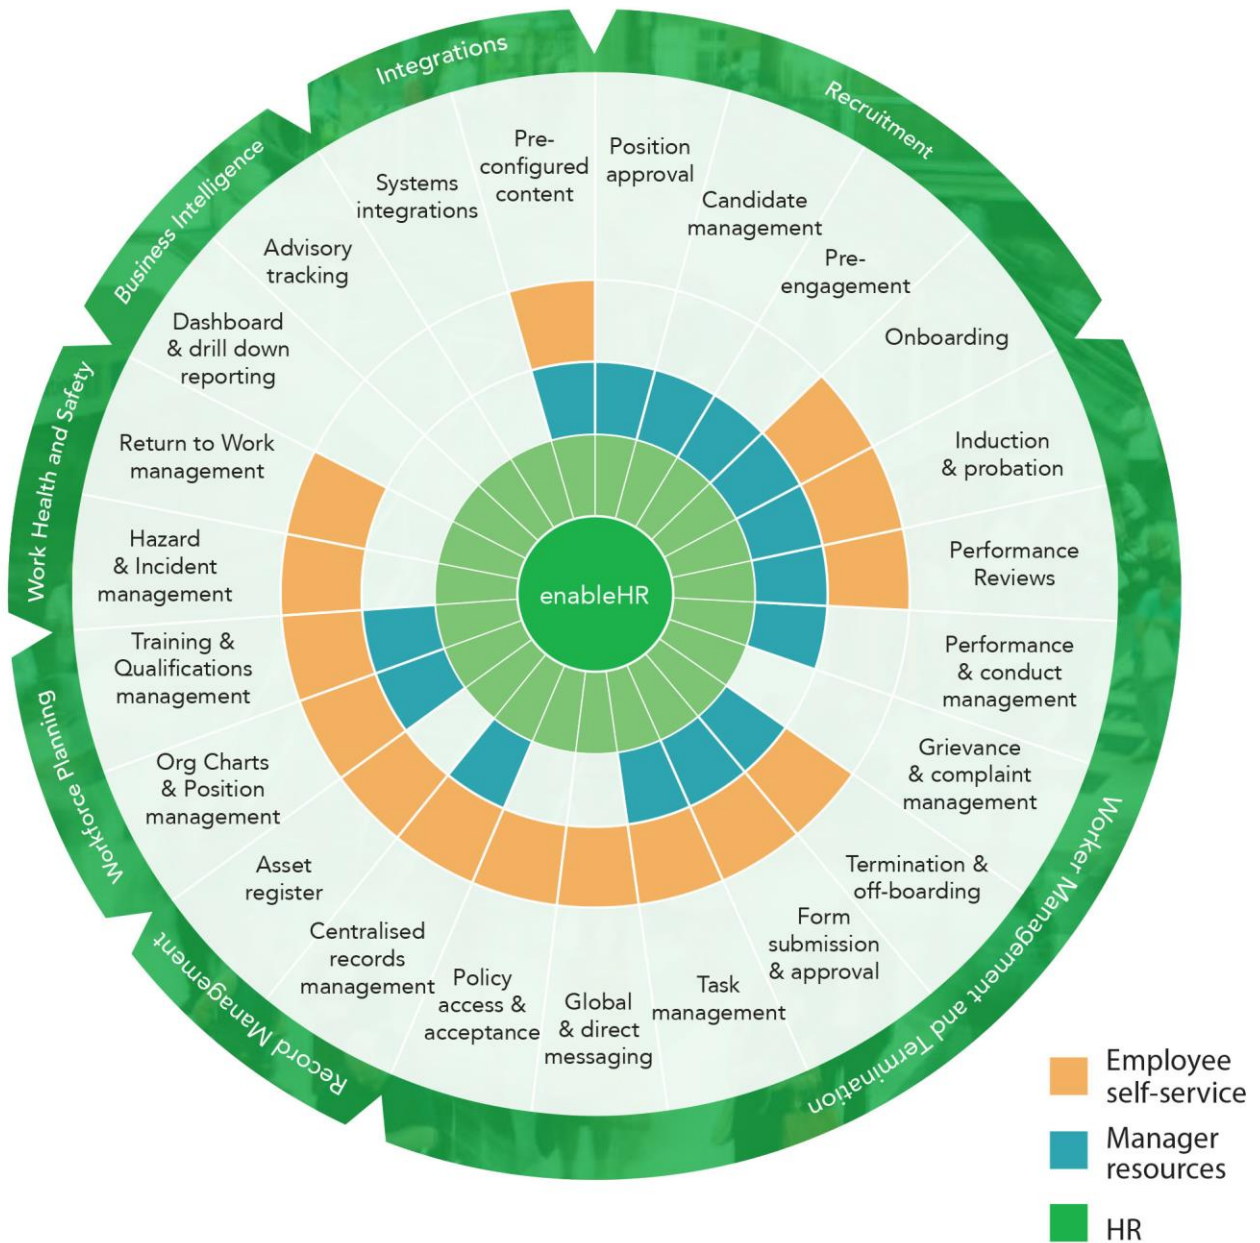

The image displays the enableHR software interface across three devices: a laptop, a tablet, and a smartphone. The laptop screen shows the main dashboard with a navigation menu, a search bar, and a table of employees. The tablet shows an 'Employee File' for Sarah White, and the smartphone shows a 'Contractors' screen with a 'Get Started With Contractor Records' button.

**Dick Herman, Legal Manager
Fastway Couriers Australia**

enableHR is the engine behind the ARA's Employment Relations Management System (ERMS). The ERMS has helped the ARA continue its dominance as the leading retail association in Australia, driving up member value and supporting member retention in a tough economic period for retailing businesses nationally.

**Russell Zimmerman, Executive Director
Australian Retailers Association**

enableHR is instrumental in the way we manage our employees. Through a simple, easy to use application, our venue managers are empowered to administer the hiring, performance management, termination and workplace health and safety transactions relating to their venues employees.
